Subject: Former Westinghouse Facility - Call to Follow up on Sep 23, 2015 Call

Hello Leo and Dave:

I met with my toxicologist,. Dr. Patrick Wilson, on September 25, 2015. We discussed the data that you provided for the project. We are ready to have a call with you. That call is mainly to discuss cleanup levels, exposure or risk evaluation, and briefly give you our opinions on the data from a toxicologist's point of view.

We are available on:

- Tuesday September 29, 10 to 11:30 am Pacific Time
- Thursday October 1, 2015, 11 am to 12:30 pm Pacific Time

Let me know as soon as you can which of those dates and corresponding times are convenient for you to have a call with us. I am trying to expedite the process for us to get your cleanup application under 40 CFR 761.61(c) in response to the property owner's request.

Thank you for your courtesies. I look forward to your reply.

Sincerely,
Carmen
